

## Club Uniform Order Form

Pioneer Archers Inc. has engaged Westate Embroidery to provide and embroider the clubs uniform. The shirt that has been selected is made by Aussie Pacific and the style is "Eureka".

Please fill out the details in the form and email/post or hand deliver to the club Secretary. Your order will be placed with Weststate. If you wish to try the shirt first for sizing please contact the Secretary.

The "Logo Placement" is dependent on whether you are a right-handed or left-handed archer (not your natural handedness). The logo is to be placed on the side of the chest that is closest to your draw arm. This ensures that the club logo is always visible if you use a chest protector.
