

# 2017 Classification Requirements<sup>1</sup>

## Outdoor Target Archery

Master, Grand Master, Elite Bronze, Elite Silver and Elite Gold awards:

- Master and Grand Master awards can be claimed annually with a minimum of one round being shot in a tournament or QRE.
- Elite Bronze, Elite Silver and Elite Gold awards can be claimed annually with a minimum of the three rounds shot in a tournament or QRE.
- Each of the tournaments/QRE shall consist of 72 arrows or more, the round shall include at least 30 arrows at a distance listed below or longer.

Gold, Red Blue Black and White awards:

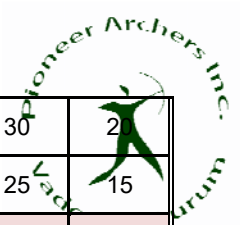

- These awards can be claimed by shooting any round listed on Schedule 9A with a minimum of 72 arrows.
- To claim these awards the score can be shot in a tournament, QRE or a shoot organised by a club and listed on the clubs calendar.
- These awards can only be claimed once for each class and division.
- Any distance can be shot to claim these awards.

The following tables indicate the Rating Levels to be used for Classifications for Outdoor Target Archery. Using the Rating Level listed for your division and equipment style refer to the appropriate Rating Table to determine the score required for the round being shot

| Classification                                       | Recurve                              |              |              |     |    |                                 |     |      |       |       |

## Field Archery

Gold, Red, Blue, Black and White awards

To claim these awards the score can be shot in a tournament, QRE or a shoot organised by a club and listed in the club calendar. These awards can only be claimed once for each class and division.

Master, Grand Master, Elite Bronze, Elite Silver and Elite Gold awards

Master and Grand Master awards can be claimed annually with a minimum of one round being shot in a tournament or QRE. Elite Bronze, Elite Silver and Elite Gold awards can be claimed annually with a minimum of the three rounds being shot in a tournament or QRE.

For Field Archery the index rating requirements are the same as for Outdoor Target Archery and the required distance are based on the following table;

| Class   | Pegs for 24T FITA Field 432 Marked and Unmarked |       |             |
|---|---|-------|-------------|
|   | RED   | BLUE  | YELLOW      |
| Men, Women, Master Men, Master Women, Veteran Men, Veteran Women, 20 & Under men and 20 & Under Women | R C   | BR BC | L           |
| Cadet Men, Cadet Women, Intermediate Boys and Intermediate Girls                                      |   | R C   | BR BC L     |
| Cub Boys & Cub Girls  |   |       | R C BR BC L |

R = Recurve, C = Compound, BR = Barebow Recurve, BC = Barebow Compound, L = Longbow

## Clout Archery

Gold, Red, Blue, Black and White awards

To claim these awards the score can be shot in a tournament, or a shoot organised by a club and listed in the club calendar. These awards can only be claimed once for each class and division.

## Master, Grand Master, Elite Bronze, Elite Silver and Elite Gold awards

Master and Grand Master awards can be claimed annually with a minimum of one round being shot in a tournament.

Elite Bronze, Elite Silver and Elite Gold awards can be claimed annually with a minimum of the three rounds being shot in a tournament. The appropriate scores are as follows:-

| Classification      | Score |
|---------------------|-------|
| Elite Gold          | 335   |
| Elite Silver        | 325   |
| Elite Bronze        | 315   |
| Grand Master Bowmen | 305   |
| Master Bowmen       | 285   |
| Gold                | 265   |
| Red                 | 245   |
| Blue                | 225   |
| Black               | 195   |
| White               | 175   |

The following table details the distance that each of the Class of archers is required to shoot;

| Class   | Distance (Metres) |      |      |           |           |
|---|-------------------|------|------|-----------|-----------|
|   | 180m              | 165m | 145m | 125m      | 100m      |
| Men and 20 & Under men                                      | C                 | R BC | BR L |           |           |
| Master and Veteran Men                                      | C                 | R BC | BR L |           |           |
| Women, Master & Veteran Women, 20 & Under Women & Cadet Men |                   | C    | R BC | BR L      |           |
| Cadet Women   |                   |      | C    | R BR BC L |           |
| Intermediate Boys & Girls                                   |                   |      | C    | R BC      | BR L      |
| Cub Boys & Cub Girls  |                   |      |      | C         | R BR BC L |

R = Recurve, C = Compound, BC = Barebow Compound, BR = Barebow Recurve, L = Longbow

## Indoor Target Archery

To attain an Indoor Target Archery Classification an athlete must shoot during the calendar year and under Archery Australia and/or World Archery rules, three rounds equal to or better than the ratings listed.

### Gold, Red, Blue, Black and White awards

To claim these awards the score can be shot in a tournament, QRE or a shoot organised by a club and listed in the club calendar. These awards can only be claimed once for each class and division.

### Master, Grand Master, Elite Bronze, Elite Silver and Elite Gold awards

Master and Grand Master awards can be claimed annually with a minimum of one round being shot in a tournament or QRE. Elite Bronze, Elite Silver and Elite Gold awards can be claimed annually with the three rounds being shot in a tournament or QRE.
