

**Pioneer Archers Inc.
Annual General Meeting
Saturday 14 September 2013**

Meeting opened at 12:30

Attendance

Trevor Greenham – President	Wayne Carkeek
Paresh Bhana – Vice President	Nimesh Bhana
Ellen Greenham – Secretary/Recorder	Jazmyne deRozario
Rick Weston	Bodhi Greenham
Kevin deRozario	

Apologies

Damayanty Bhana – Treasurer

Acceptance of Previous Minutes

That the minutes from the AGM dated 10 November 2012 are a true and accurate record
MOVED: Paresh Bhana
SECONDED: Nimesh Bhana
CARRIED

Business Arising from Minutes

There was no business arising

Accounts and Reports

Treasurer's Report

- Attached to the minutes of this meeting.
- Overall the club is in a comfortable position, and a lot of the money generated in the past year has been reinvested into club assets.

Acceptance of Finance Reports

MOVED: Trevor Greenham
SECONDED: Paresh Bhana
CARRIED

President's Report

- Attached to the minutes of this meeting
- The President highlighted and extended his thanks to all club members who assist with setting up the grounds.
- The issue of balancing assets availability with membership numbers on the shooting line will continue to require careful monitoring.
- The splitting of shooting sessions between the morning and afternoon is currently working well as a means of addressing assets management.

- The scheduled 2014 calendar has a winter trial of only running one session of shooting and no beginner's courses, this may generate some shift in pattern for which session newer club members would prefer to shoot in.

Recorder's Report

- Attached to the minutes of this meeting.
- The number of records at both club and State level was noted.
- It was also highlighted that a new system of reporting club records has been set up on the club website.

Instructor's Report

- Attached to the minutes of this meeting.
- The change of nomenclature from "Come and Try" to "Archery Lessons" was noted as part of the process of distinguishing the service delivered by Pioneer Archers Inc. as a structured course, rather than a once of session to have a go at archery.
- A question was raised regarding the six week duration regarding absence of participants, particularly a prolonged absence. This was clarified by affirming that as a structured course, a participant's inability to attend a week did not extend the six weeks of instruction beyond the set course end date.

Equipment Report

- Attached to the minutes of this meeting.
- The proposed change of format in the 2014 winter season was highlighted as a consideration in terms of ensuring there is enough equipment within the club to cater for the potential ranges of distances members will require for the weekly shoot.
- There was also a highlighted note regarding the need for the trailer to be modified in order to carry an increased number of target buttresses and all gazebos. Due to the circumstance of the trailer currently being on loan to the club at no cost, it is suggested that any modifications this would need to be addressed financially by the club.

Web Master's Report

- Attached to the minutes of this meeting
- Club members were invited to offer, at any time, additions or improvements that they would like to see made to the club's website.

Acceptance of all other Reports

MOVED: Paresh Bhana
SECONDED: Rick Weston
CARRIED

Election of Office Bearers

Due to the two year terms for office, there were no formal elections to be held

The Secretary's position is still in caretaker mode, and the President called for nominations from the floor.

Secretary; no nomination, position vacant

The President then asked the current caretaker, Ellen Greenham, whether she would be willing to remain in the position in an acting capacity until such time as another member nominates to fill the position. Ellen Greenham agreed to do so.

General Business

- The portable gazebos are working well for providing shelter and a club room space. It was suggested that some side covers be purchased to assist with shielding the area further from the affects of weather. Oz Trail make panels at a cost of approximately \$65.00 each. Paresh Bhana has suggested he can make panels to fit that will also carry the club logo and any other information that the club might wish to put on the panels. This option will also be explored.
- The club Ranking Rounds need to be reviewed, as Pioneer Archers are a new club with a significant proportion of members who are not yet shooting at their designated FITA distances. As a means of looking for a method for the club ranking rounds to be more inclusive, the past twelve (12) months of shooting was reviewed and the FITA 60-900 rounds or their equivalents were examined for the purpose of including them as a ranking round. The current rankings have not changed as a consequence of this inclusion, but the number of club members eligible for inclusion in the ranking rounds has increased. It was suggested therefore, that the Club Championship rules be amended to include the FITA60-900 round and its equivalents and that the change be applied retrospectively to the start of the 2013 shooting calendar.

The Championship Policy be amended to include the FITA60-900 or equivalent round for the purpose of ranking.

MOVED: Trevor Greenham

SECONDED: Bodhi Greenham

CARRIED

- All match play events and the Anniversary FITA are already scheduled in 2014 to be held on a Sunday. Due to the success of holding the Anniversary FITA this year on a Sunday, it is noted that the last match play for this calendar year, the Rudolph Cup, should also be held on a Sunday. This allows for club members who are unable to shoot in these events, the opportunity to still participate in the scheduled weekly club shoot on a Saturday.
- The December 2013 calendar has also been amended. There is a Fun Shoot – Barbeque and Championship Presentation to be held on Saturday 7 December; and a

need for the formation of a sub-committee to organise this event. Paresh Bhana has indicated that he will organise novelty target faces for the shoot. Kevin deRozario and Jazmyne deRozario have also indicated that they will help with this event.

President's Report.

On Saturday 11 August 2012, Pioneer Archers took to the field on their home grounds at the Challis Primary School for the first time. Whilst the club had been officially affiliated in February 2012, that day was very special for the 7 members of the club. Those members being;

Paresh Bhana, Damayanty Bhana, Nimesh Bhana, Arjun Rao, Ethan Lawford, Ellen Greenham, Bodhi Greenham and myself. As the photos indicate, we were not exactly well organised on that first day.

Twelve months later and we are holding our second AGM, I have been privileged to hold the office of President during this period and I am proud to say that we have gone from strength to strength as the weeks have gone by.

As at 30 June 2013 we had 18 financial members, this increase represents a growth of 144%. At the time of writing our 2012-2015 Strategic Plan, I thought I was being over optimistic by suggesting that we should plan for a growth of 15% in our membership for the first 3 years of operation. This growth has placed the club in a fantastic position financially and has helped to put Pioneer Archers on the map as a strong contributing member of the WA Archery Fraternity.

We still have a long way to go to meet all our objectives, and I know that I can count on your support as we start to explore the options of establishing a permanent home shooting ground, with storage facilities for our equipment, expand our youth membership and consolidate our senior membership.

I would also like to thank all those members who have donated equipment to the club in general and particularly the donations of equipment for our beginner's session. The lesson sessions that we have run over the past twelve months have been instrumental in our membership growth and it cannot be understated that the beginners are the lifeline and future of the club. Without the equipment and the time that members have donated to these sessions, we would not be where we are now.

I look forward to the next twelve months of the clubs growth and I would like to thank all members for contributing to the quality of the clubs membership and enhancing the reputation that the club has gained. I would also like to thank in advance all those members who continue to help setup the grounds every Saturday, and those who will step up to the challenges ahead. Whether it be through taking on some of the responsibilities of office bearer's positions or simply helping behind the scenes so as to ensure that we continue to operate smoothly. I Thank You.

Trevor Greenham,
President Pioneer Archers Inc. 2012-13

Equipment Officer

The club is currently able to cater for the existing membership as we continue to operate a morning and afternoon session. This will be tested in June/July 2014 with the one session being held during the winter months. Whilst I would expect to see a decline in the number of archers shooting during winter we will have to purchase an additional target butt before this period to ensure that all distances can be catered for.

This will have to be monitored as our membership increases and the potential take up of a preference to shooting in the morning session.

The clubs target butt assets remain on a good footing with the club owning 4 Damage target butts and one Chinese/AWA butt. The fifth Damage Target Butt (No 4) is on loan to the club. This arrangement is in place until such time as the club is in a financial position to purchase a replacement which will then be given to the owners. The table below shows the current wear on the target butts;

Target Description	Target No	Zone 1	Zone 2	Zone 3	Total Hits
Club (Damage - 1XHD)	1	5729	3098	1046	10397
Club (Damage - 1 XHD)	2	5059	2962	971	9081
Club (Damage - 1 XHD)	3	3322	2318	770	8953
T&E G (Damage 3-XHD)	4	4585	3223	1186	11711
Club (Chinese - AWA)	5	1544	887	383	2826
Club (Damage - 1 XHD)	6	0	0	0	0
Total Arrows Recorded					42968

We currently have 2 new XHD cores on standby and one XHD core that has only had 2500 arrows shot at it, the expected life of a XHD core is 7000 arrows. The loan Target Butt (No 4) has 3 XHD cores in it, they are being rotated through the centre and one core has yet to be placed in the centre. Target Butt No 6 was only purchased in August and is yet to be placed into a frame.

All the frames will be modified during the September-October school holiday, including the heavy stand on Target Butt 5. The modification should allow for 7 target butts to loading into the trailer for transportation.

The portable gazebos have proved to be suitable for shade and shelter, however an additional two 3 x 3 metre shades will need to be purchased before the start of the 2014 shooting calendar. We can expect a higher number of shooting archers on the line once the warmer weather comes in and therefore will require more shade areas. It is recommended that the large 6 x 6 metre gazebo continued to be used as the main area for the administrative duties and small 3 x 3 metre ones for archer shade and equipment assembly. Consideration should be given to purchasing a number of side walls for the gazebos to provide some additional protection from both rain and sunshine.

The loan trailer continues to be serviceable and meets our current needs. It will remain available to the club to be used until such time as alternative storage facility becomes available to the club. It may require some additional storage racks to be fitted to the sides for the gazebos to be placed onto once we obtain a 7th target butt. The trailer is being loaned to the club at no cost, therefore it is recommended that any alterations that need to be made should be funded by the club, subject to a final costing being provided.

Archery Instructors Report

As indicated in the Presidents report the beginner's sessions have proven to be very successful, I have tweaked the format as we have gone along based on the feedback from the participants. As the AA rules allow for a temporary member to shoot for 12 times before having to become a member, we have not been in a position to allow for new archers to use the clubs equipment for the 12 weeks. This would only permit us to run 3 courses a year.

The current format is to allow them to use the club equipment for 6 weeks (originally 4 weeks), then ask them to purchase equipment. I have found that by the time the 6 weeks is up it is long enough period for the person to decide if this is a sport they want to take up.

Since starting the beginners in February 2013 we have had 19 bookings for our course, of those 11 people attend and receive instruction having never shot before. A further 6 people have attended who have had some shooting experience in the past, and 2 failed to show up. Of those who have attended 63% have taken up the sport and become members of Pioneer Archers. We are one of a few clubs that have been able to increase our membership with such a high retention rate for the beginner's course.

We have another course of 5 participants starting on 28 September and another course of 5 participants starting 8 February 2014. If we maintain the current membership take up rate we will have 27 financial members by the end of this calendar year. During 2014, 4 courses have been scheduled one in starting February and March then August and September.

Our beginner's equipment currently stands at 5 right handed bows and 1 left handed bow. All bows are Cartel/Internature wooden risers and wood fibreglass limbs that range from 16lb to 22lb. Whilst we are in a position to purchase more bows this is not recommended until such time as there are additional qualified Archery Instructors in the club. It should be noted that AWA only run one Archery Instructors course per year that is usually held in October.

We have sufficient arrows to cater for all new archers thanks to the generous donations we have received from our members.

The current format of having the beginners and novice archers continue to shoot in the afternoon is working well as it allows for some extra coaching for those that become members but continue to shoot short distances. We do not have enough target butts to move novice archers to the morning session and maintain the existing calendar for our experienced archers. The 2014 calendar has both the afternoon and morning session joining during June and July with no beginners and a later start time.

Web Master Report.

The Pioneer Archers Web site continues to operate as the main source of information to club members as well as other members of the archery fraternity, not only in WA but also interstate.

The site has had over 4800 hits (9/9/13) with some of those hits coming from around the world, of which 2890 hits have been recorded during the last financial year.

Our Facebook page has also received some interest and is another source of information about the club.

The maintenance of the web page is relative low as most of the documents i.e. results, polices, etc. are in Adobe PDF format, so it is simply a matter of creating a link to the documents.

The Domain name pioneerarchers.com was first registered in October 2011 for a five (5) year period and the hosting package was purchased for 3 years at the same time. The renewal of the hosting package is schedule for 16 October 2014 and is expected to cost approximately \$290.00 for another 3 years.

Domain registration is approximately \$ 11.95 per year and purchased in 1, 3 or 5 year packages, the domain is due for renewal on 18 October 2016. The hosting package and domain registration is through WebCity, a 100% Australian business operating from Melbourne and was established in 1997.

The current hosting package is: Cloud Pro Business Grade Hosting
